

# **SlimBalance**

### SP551P LED45S 840 L120 PSU SI

- - Wide beam - Linear-lens array in polycarbonate cover - 60°

SlimBalance is a full range of product family with sleek and elegant design helps to create attractive and differentiated space for customers. The family covers different length (600mm, 1200mm,1500mm), different end cap (round, square) and different light distribution (direct, indirect).;Its office compliant version delivers comfortable light with good quality.

### Warnings and Safety

- The product is IPXO & as such is not protected against water ingress & as such we strongly recommend that the environment in which the luminaire is to be installed is suitably checked
- If the above advice is not taken and the luminaires are subject to water ingress, Philips / Signify cannot guarantee safe failure & product warranty will become void

#### **Product data**

| General information  |  |
|--|--|
| Beam angle of light source                                 | - °                                      |
| Light source color   | 840 neutral white                        |
| Light source replaceable                                   | No                                       |
| Number of gear units                                       | 1 unit                                   |
| Driver/power unit/transformer                              | =  |
| Driver included  | Yes                                      |
| Optic type   | Wide beam                                |
|  |  |
| Optical cover/lens type                                    | Linear-lens array in polycarbonate cover |
| Optical cover/lens type  Luminaire light beam spread       | Linear-lens array in polycarbonate cover |
|  |  |
| Luminaire light beam spread                                |  |
| Luminaire light beam spread Control interface              | 60°                                      |
| Luminaire light beam spread  Control interface  Connection | 60°                                      |

| Glow-wire test                           | Temperature 650 °C, duration 30 s |
|--|-----------------------------------|
| Flammability mark                        | -                                 |
| CE mark                                  | CE mark                           |
| ENEC mark                                | -                                 |
| Warranty period                          | 3 years                           |
| Constant light output                    | No                                |
| Number of products on MCB of 16 A type B | 24                                |
| EU RoHS compliant                        | Yes                               |
| Light source engine type                 | LED                               |
|  |                                   |
| Operating and electrical                 |                                   |
| Input Voltage                            | 220/240 V                         |
| Input Frequency                          | 50 to 60 Hz                       |
| Inrush current                           | 19 A                              |
