## BCP383 12LED 27K 220V 45 L50 D2

UniStrip G4 - 1426 lm - 27 W - -

UniStrip G4 is a surface mounted, exterior-rated LED luminaire that is designed for façade and outdoor architectural lighting applications. One family that fits all your needs, wall washing, grazing and also linear flood lighting. The robust mechanical and unique optical designs make it ideal for illuminating buildings facades, bridges, overpasses and any application that requires a linear lighting solution. Available in white, monochromatic colors, RGB, RGBW and tunable white and DMX control option available with up to 8 pixels (8IDs) to give architects and designers the freedom to explore a wide range of concepts and design with no limitations.

#### Warnings and Safety

· For outdoor use only

#### **Product data**

| General information      |   |
|--------------------------|---|
| Light source color       | Warm white                                  |
| Driver included          | Yes   |
| Optical cover/lens type  | Tempered glass                              |
| Control interface        | -   |
| Connection               | Flying leads/wires                          |
| Cable                    | Cable 0.3 m without plug 3-pole             |
| Protection class IEC     | Safety class I                              |
| Flammability mark        | For mounting on normally flammable surfaces |
| CE mark                  | CE mark                                     |
|                          |   |
| Operating and electrical |   |
| Input Voltage            | 220 to 240 V                                |
| Input Frequency          | 50 to 60 Hz                                 |
|                          |   |

| Inrush current                      | 60 A                    |
|-------------------------------------|-------------------------|
| Power Factor (Min)                  | 0.9                     |
|                                     |                         |
| Controls and dimming                |                         |
| Dimmable                            | No                      |
|                                     |                         |
| Mechanical and housing              |                         |
| Housing Material                    | Aluminum extruded       |
| Optical cover/lens material         | Polymethyl methacrylate |
| Effective projected area            | 0.073 m²                |
| Color                               | Dark gray               |
| Dimensions (Height x Width x Depth) | NaN x NaN x NaN mm      |
|                                     |                         |
