## BCP383 12LED 30K 220V A2 L50 DMX D2

UniStrip G4 - 1242 lm - 27 W - 3000 K

UniStrip G4 is a surface mounted, exterior-rated LED luminaire that is designed for façade and outdoor architectural lighting applications.;One family that fits all your needs, wall washing, grazing and also linear flood lighting.;The robust mechanical and unique optical designs make it ideal for illuminating buildings facades, bridges, overpasses and any application that requires a linear lighting solution.;Available in white, monochromatic colors, RGB, RGBW and tunable white and DMX control option available with up to 8 pixels (8IDs) to give architects and designers the freedom to explore a wide range of concepts and design with no limitations.

## Warnings and Safety

· For outdoor use only

#### **Product data**

| General information     |  |
|-------------------------|--|
| Light source color      | Warm white                                       |
| Driver included         | Yes  |
| Optical cover/lens type | Tempered glass                                   |
| Control interface       | Dynamix DMX                                      |
| Connection              | Flying leads/wires and 2 Push-in connector 4-    |
|                         | pole   |
| Cable                   | Cable 0.3 m without plug 3-pole + 2 Cables 0.3 m |
|                         | with connector 4-pole                            |
| Protection class IEC    | Safety class I                                   |
| Flammability mark       | For mounting on normally flammable surfaces      |
| CE mark                 | CE mark  |
|                         |  |

| Operating and electrical    |                         |
|-----------------------------|-------------------------|
| Input Voltage               | 220 to 240 V            |
| Input Frequency             | 50 to 60 Hz             |
| Inrush current              | 60 A                    |
| Power Factor (Min)          | 0.9                     |
|                             |                         |
| Controls and dimming        |                         |
| Dimmable                    | Yes                     |
|                             |                         |
| Mechanical and housing      |                         |
| Housing Material            | Aluminum extruded       |
| Optical cover/lens material | Polymethyl methacrylate |
| Effective projected area    | 0.073 m²                |
| Color                       | Dark gray               |
