# GreenUp hospitality spot

### RS318B P12 927 PSU-E NB S

-

GreenUp hospitality spot is a small cut out spot but with comprehensive offers. It offers flexible wattages for different indoor applications, such as retail and hospitality. This family delivers high CRI90 and 3 different beam angles to perfectly fit the light requirement of indoor retail and hospitality applications.

#### **Product data**

| General information                      |                 |
|--|-----------------|
| Light source color                       | 927 warm white  |
| Optical cover/lens type                  | -               |
| Control interface                        | -               |
| Protection class IEC                     | Safety class II |
| Flammability mark                        | -               |
| CE mark                                  | -               |
| Number of products on MCB of 16 A type B | -               |
| Light source engine type                 | LED             |
|  |                 |
| Operating and electrical                 |                 |
| Input Voltage                            | 220 to 240 V    |
| Input Frequency                          | 0/50/60 Hz      |
| Inrush current                           | 0.06 A          |
| Power Factor (Min)                       | 0.9             |
|  |                 |

| Controls and dimming         |                           |
|------------------------------|---------------------------|
| Dimmable                     | No                        |
|                              |                           |
| Mechanical and housing       |                           |
| Housing Material             | Aluminum die-cast         |
| Optical cover/lens material  | Polymethyl methacrylate   |
| Optical cover/lens finish    | Clear                     |
| Overall length               | 93 mm                     |
| Overall width                | 85 mm                     |
| Overall height               | 93 mm                     |
| Overall diameter             | 85 mm                     |
| Color                        | Aluminum and gray         |
|                              |                           |
| Approval and application     |                           |
| Ingress protection code      | IP20 [ Finger-protected]  |
| Mech. impact protection code | IK03 [ 0.35 J reinforced] |

#### GreenUp hospitality spot

| Initial performance (IEC compliant) |         |
|-------------------------------------|---------|
| Initial luminous flux (system flux) | 60 lm   |
| Luminous flux tolerance             | +/-10%  |
| Initial LED luminaire efficacy      | 96 lm/W |
| Init. Corr. Color Temperature       | 2700 K  |
| Init. Color Rendering Index         | >90     |
| Initial chromaticity                | -       |
| Initial input power                 | 12 W    |
| Power consumption tolerance         | +/-10%  |
|                                     |         |

+20 to +40 °C
