# Tango Pro

## BVP563 LED336/757 220W EP SWB

Tango Pro, 33600 lm, 220 W, 757 cool white, depends on driver (1-10V, DALI...), Safety class I

Philips Tango Pro LED floodlight is the fifth generation of the Philips Tango LED floodlight. Tango Pro takes efficiency to the next level, delivering industry-best efficiency in a compact but elegant design. The luminaire can be applied in a versatile range of applications, from area lighting to recreational sports facilities. The LED driver comes in compact and robust housing that meets globally recognized safety standards. Its specially designed heat sink incorporates aesthetics and functionality to ensure excellent reliability. The modular, streamlined luminaire silhouette offers a visually balanced design. Philips Tango Pro LED floodlight is engineered to create brighter and safer environments. Powered by the latest LED technology, Tango Pro delivers superior performance in both light distribution and UltraEfficiency 170lm/W and up to 200lm/W. The long luminaire lifetime and recyclable materials supports your efforts to meet sustainability targets.

#### Warnings and Safety

• For coastline applications, 2,000 hours (or above) MSP recommended (liability for wear-and-tear damages exempted)

- Not suitable for chemical industrial areas
- Not suitable for installation on moving objects

#### **Product data**

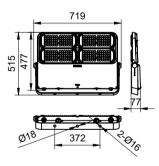

| eral Information                 |           | Luminous Efficacy (rated) (Nom) | 153 lm/W       |
|----------------------------------|-----------|---------------------------------|----------------|
| r included                       | Yes       | Color rendering index (CRI)     | 70             |
| e tag                            | Yes       | Light source color              | 757 cool white |
|                                  |           | Effective projected area        | 0.18 m²        |
| Technical                        |           |                                 |                |
| inous Flux                       | 33,600 lm | Operating and Electrical        |                |
| rrelated Color Temperature (Nom) | 5700 K    | Input Voltage                   | 220 to 240 V   |
