

# GreenPerform Teardrop G3

## CR388C G3 LED22/840 L120 PSD

GreenPerform Teardrop G3, 16 W, 840 neutral white, 2240 lm, Wide beam, DALI, IP40 | Wire-protected

Greenperform Teardrop CR388C G3 is an affordable but with high system efficacy cleanroom batten. By means of its slim and streamlined design, it perfectly reduces the dust collection on the housing. Thanks to its max 150lm/w system efficacy, it delivers higher energy saving for the customer. In addition, CR388C G3 provides easy connection for continuous installation. Dali interface and CRI90 are provided by this family to further extend the availability for control interface and visual comfort. CR388C G3 is a decent product for newly installed cleanroom and retrofit cleanroom projects as well.

#### **Product data**

| General Information                |                                  |
|------------------------------------|----------------------------------|
| Number of gear units               | 1 unit                           |
| Gear                               | EBD [Electronic regulating DALI] |
| Driver included                    | Yes                              |
| Light source engine type           | LED                              |
| Warranty period                    | 5 years                          |
|                                    |                                  |
| Light Technical                    |                                  |
| Luminous Flux                      | 2,240 lm                         |
| Correlated Color Temperature (Nom) | 4000 K                           |
| Luminous Efficacy (rated) (Nom)    | 140 lm/W                         |
| Color rendering index (CRI)        | >80                              |
| Number of light sources            | 80                               |
|                                    |                                  |

| Beam angle of light source  | 120 degree(s)     |
|-----------------------------|-------------------|
| Light source color          | 840 neutral white |
| Optic type                  | Wide beam         |
| Luminaire light beam spread | -                 |
| Unified glare rating CEN    | Not applicable    |
| Effective projected area    | 0.048 m²          |
|                             |                   |
| Operating and Electrical    |                   |
| Input Voltage               | 220 to 240 V      |
| Line Frequency              | 50 or 60 Hz       |
| Inrush current              | 18 A              |
| Inrush time                 | 0.185 ms          |
| Power Consumption           | 16 W              |
|                             |                   |

## **GreenPerform Teardrop G3**

| Power Factor (Fraction)                     | 0.9                          |  |
|---|------------------------------|--|
| Connection                                  | Push-in connector 3-pole     |  |
| Cable                                       | - Cable 0.3 m without plug   |  |
| Number of products on MCB of 16 A type B 23 |                              |  |
| Suitable for random switching               | Yes                          |  |
| Protection class IEC                        | Safety class I               |  |
